### June Show

This year is disappearing at a rate of knots and the June Charity Show is nearly upon us. I have attached the schedule so you can plan what classes you want to enter.

I am, as always, asking for volunteers to help us run the show. If you can spare 2 hours, it would be greatly appreciated by all.

This show is going to be our only main show this year so please do all to support us.

### Endurance team

#### Interested in joining a riding club Endurance team?

A team competition for riders that are a member of their local Riding Club. Teams of between three and six, combinations can compete in Graded Rides of between 20km and 40km at any of EGB's national events, registering with EGB as Club Members free of charge. Each team result is placed in a League Table for the Region in which the team is based. The top teams in each League have the option of attending a Team Championship at the end of the season.

If you are interested Caro Long has offered to support anyone interested, drop us an email and we can put you in contact.

### Woolgars Farm Orienteering / XC - Sunday 22<sup>nd</sup> May 2022.

With over 30 optional jumps ranging from 1'6" to 3'6" - the cross-country course at Woolgars Farm offers something for riders of all abilities. Set in the Surrey Hills AONB, our course provides stunning views of London, Guildford, Woking and beyond, as well as making for fantastic fitness and hill work.

We will be combining this amazing ride with our orienteering competition, run slightly differently this time but the same fun experience.

This amazing local venue will be closing at the end of the summer so this might be your last chance to see these incredible views over London whilst riding in a safe environment away from walkers, dogs and cyclists.

Book now as spaces will be limited

### Donation to RDA ball

We have made a financial contribution to the Quest RDA ball to help them cover the expenses of running this event. This will make all money they generate go straight to helping them continue their amazing work.

### A word from Team Manager - Marci

During April we had two great team events. The first was the Combined Challenge (SJ & XC) at Munstead on 10 April, with the team being Karen Cannan, Richard Sharpe and Elizabeth Hillier Sinclair. All had some great individual rounds, but sadly no placing for the team this time. Zara Sharp-Hughes then competed as an individual in the Junior 90cm, and we were all delighted when her fabulous round placed her 3rd. The team is grateful to Amy Kirkby for being the official helper - her role on the day was XC steward.

On Good Friday we sent two dressage teams to the Area Friendly at Merrist Wood. There was a big entry and The Chobham Challengers consisting of Helen Francis, Elizabeth Hillier-Sinclair and Sarah Miller came =9th, and The Chobham Chasers consisting of Elizabeth Hillier-Sinclair, Kate Hughes and Marci Gough came =14th. Individual placings included Helen Francis 6th in Prelim 18, and 4th for Sarah Miller in Novice 30.

Our next Area event will be the Horse Trials at Coombelands on 4 June. Karen Cannan and Francesca Elliott will be representing the club in the 80cm and 90 cm respectively - Good Luck ladies!!

### CALLING ALL SHOW JUMPERS

Please let me know if you are interested in joining our show jumping squad. There will be opportunities at all levels from 70cm to 110cm, teams and individuals, Juniors and Seniors, and even if you do not feel quite ready to compete yet, please do come forward and register your interest with me. Don't be shy! - it would be great to build up our show jumping squad and work towards having teams at all levels as we move forward.

Show jumping area competition dates are 26 June - at Elstead which also incorporates SJ Style jumping, and 24 July at Bookham Combined Training and SJ. Please let me know if you are available to compete at either of these - but please note that the Bookham event unfortunately clashes with our Camp dates.

### DRESSAGE TO MUSIC

National and London and South East qualifiers are at Belmoredean on 3 July. I'm currently trying to find a schedule but in the meantime details of classes can be seen in My Riding Life. Please let me know if you are interested.

Finally, please see the list of the other events, note the dates in your diary and let me know which ones you are interested. Any questions please do not hesitate to contact me.
